These instructions are important.

Read these instructions before use and keep them for future reference. Your child's safety may be affected if you do not follow these instructions.

Your Coast travel system is a high quality Silver Cross product. It meets current safety standards and care and regular light maintenance will ensure its long service.

In single configuration, this travel system is suitable from birth up to 9kg or 6 months old, whichever comes first with the carrycot; and from 6 months up to 22kg or 4 years whichever comes first with the pushchair seat.

If somebody unfamiliar is using your Coast travel system, always ensure that they read these instructions carefully so that they understand how the product works best.

The Coast travel system is designed and tested to be used with the Coast carrycot and Coast pushchair seat.

Safety Notes

The Coast travel system is a high quality Silver Cross product. It complies with EN1888-2:2018 and with correct use and maintenance will give good service. If, however, you should have any problems with the pushchair, please contact your Silver Cross retailer who will take appropriate action. The Coast carrycot complies with EN 1466:2014.
